EXTERIOR AND COLOURS

“Colori anni ‘50-‘60” paint colour (Modis code PNTC)

As with other models in the range, the Ferrari 458 Italia may be also customized with an exterior colour chosen from the “Colori Anni ‘50 - ‘60” historical colour catalogue.

The available colours are as follows:

	AVORIO 190		VERDE ABETONE 690
	VINACCIA 390		AVIO MET 591
	BLU SCOZIA 593		GRIGIO FERRO MET 790
	AZZURRO MET 592		CELESTE MET 590
	GRIGIO MEDIO 791		GRIGIO SCURO 792

Extra-range paint colour (Modis code PNT0)

	AZZURRO CALIFORNIA
	AZZURRO MONACO
	BLU LE MANS
	BLU NART
	BLU SWATERS
	CANNA DI FUCILE
	ROSSO BARCHETTA
	ROSSO DINO
	ROSSO FIORANO
	RUBINO MICALIZZATO
	VERDE BRITISH RACING
	VERDE ZELTWEG

Please note that now extra-range paint colours can be ordered through Modis.

The list of the available colours can be found in the table on the left.

INTERIOR AND MATERIALS

Dashboard trim in carbon fibre (Modis code DATR)

A new option has been added to the choice of carbon fibre trims for the interior of the Ferrari 458 Italia. This option includes all carbon fibre elements in the dashboard. This new feature can be ordered through Modis using the code DATR.

Colour upon request for door panel armrest in Alcantara® (Modis code ARMC)

The door panel armrests may be specified with an elegant coloured Alcantara® trim. The colour may be chosen from any of the eleven standard colours in the palette.

INTERIOR AND MATERIALS

Two-tone Alcantara® interior trim (Modis code DAAL-DAAD)

Customers may select this option in order to have a two-tone interior trim in leather and Alcantara®.

With this option, the passenger compartment will be trimmed in two colours (the main colour plus a secondary colour selected from the standard Alcantara® palette) in a predefined pattern.

It is possible to match the two-tone interior in leather / Alcantara® with Daytona style seats choosing the Modis code DAAD.

Passenger compartment carpets in Alcantara® (Modis code ALIC)

To give to the interior of the Ferrari 458 Italia an even more luxurious touch, the standard passenger compartment carpets may be replaced with an elegant Alcantara® trim.

All parts normally trimmed in carpets will be trimmed in Alcantara® in a colour chosen from the eleven standard colours available.

Full-Electric seats (Modis code RSFE)

As an alternative to the electric seats already available as option, the car may be also customized with Full Electric seats.

Compared to the electric seats, the Full Electric ones feature the following additional functions:

- pneumatic cushion and backrest bolster adjustment
- pneumatic lumbar support adjustment
- seat memory (driver side only)
- heating
- Full Electric mirrors with memory and electrochromic function (cod. Modis MIR4)

The memory function allows the driver to easily restore previously memorised seat and external rear-view mirror positions.

EQUIPMENT AND TRAVELLING

Smoking kit (Modis code SMOK)

The car may be customized with a smoking kit for the passenger compartment. The kit consists of a cigarette lighter, installed in place of the 12V power socket on the centre console, and an aluminium ashtray installed at the front of the centre console.

February orders' collection

9

FEBRUARY ORDERS

458
ITALIA

RACING AND TRACK**4-point seat harness (Modis code 4HAR)**

In keeping with the tradition for all sports models in the range, and only with the Racing Seats (cod. Modis RSCH), 4-point front seat harnesses are now also available for the Ferrari 458 Italia.

The colours available are:

 **BLACK** **RED** **BLUE**

The 4 point harnesses are not available with hi-fi premium installed.

INTERIOR AND COLOUR

Lower passenger compartment area trim in carbon fibre (Modis code CILZ)

This option includes the central part of the door panel and rear side panel, the external sill plate, the power window control surround and the F1 control panel surround.

The following is a table summarising all the options in carbon fibre available for the interior of the car.

EQUIPMENT AND TRAVEL

Front suspension lift (Modis code ELEV)

A front suspension lift system may be ordered as an option. The system raises the front suspension by up to 40 mm to allow the vehicle to clear speed bumps and ramps. When ordered with this option, the vehicle also must be equipped with adaptive headlights with an additional vertical beam adjustment function.

Rear parking camera (Modis code PAC1)

The rear parking camera provides an additional help during parking. It is placed in the rear bumper in a safe position and with its grandangular view enlarges the visual field of the rear side area and allows the driver to avoid any not visible obstacles. When inserting the reverse gear, the parking camera is activated and the image is shown on the TFT display, positioned on the right of the instrument cluster. A grid that simulates the vehicle dimensions improves the perception of the obstacles.

Tires temperature and pressure monitoring system (Modis code TPM0)

It's possible to order the Ferrari 458 Italia with an electronic system that continuously monitors the pressure and temperature of the tires.

Powered Hi-Fi system (Modis code SNDB)

The Ferrari 458 Italia may be ordered with a new powered audio system designed and developed exclusively for Ferrari by JBL Professional®.

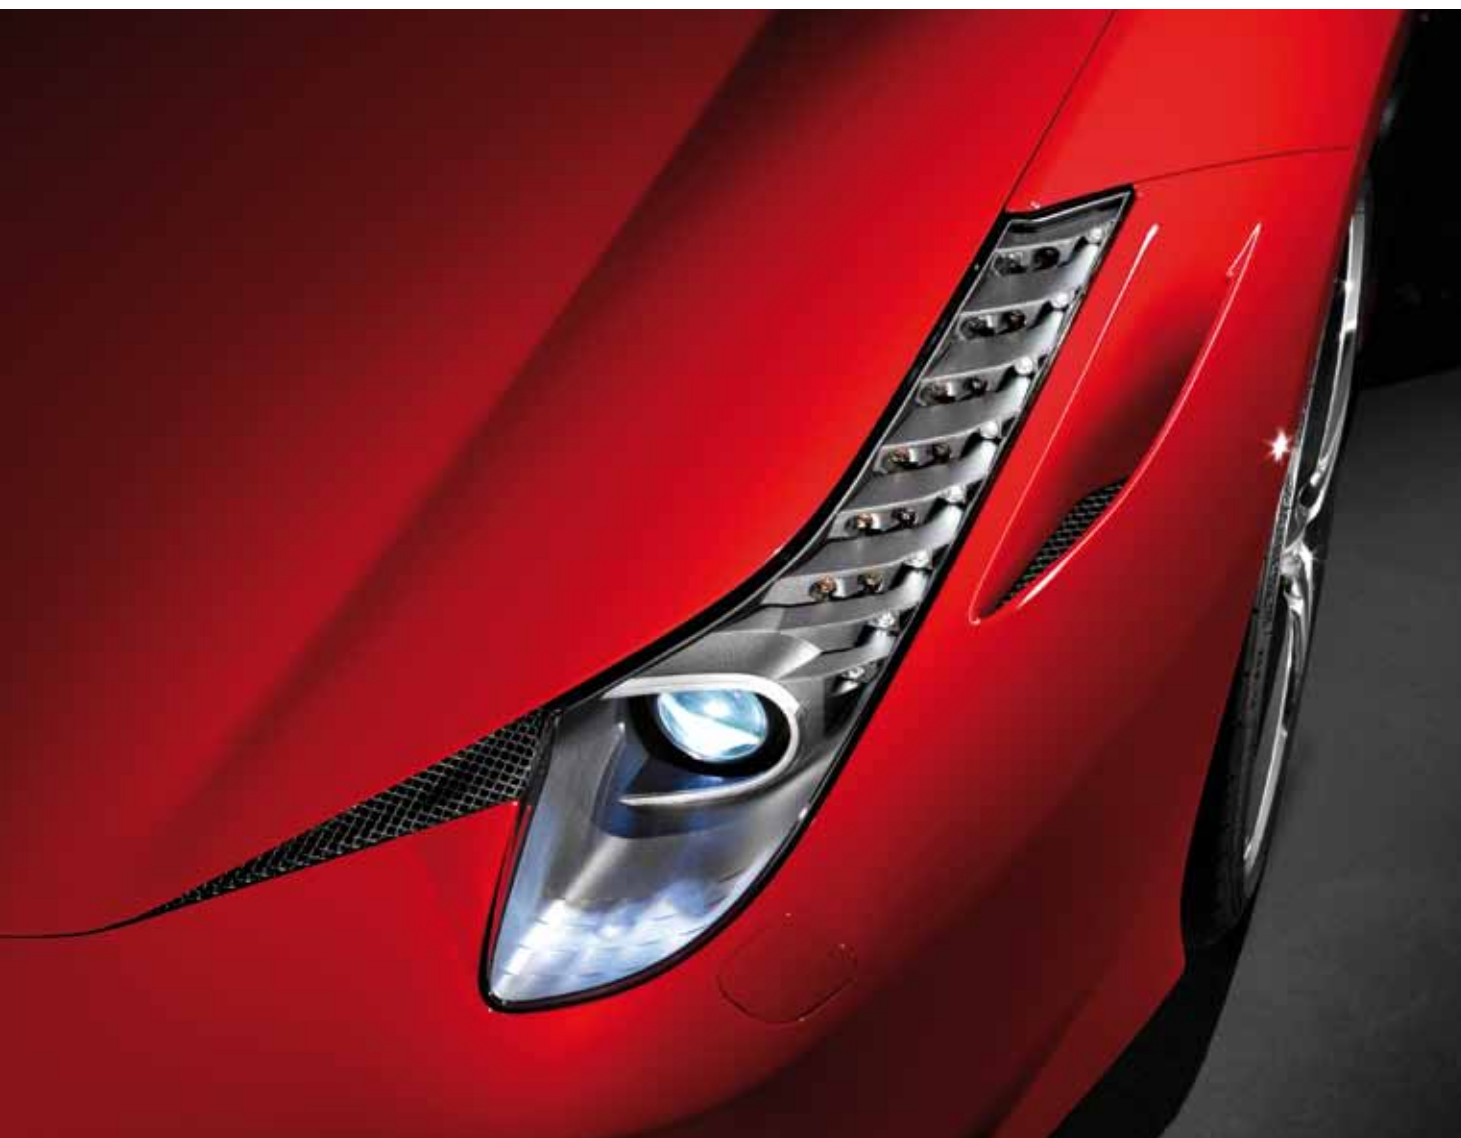

This high-power next generation Hi-Fi audio system is equipped with 11 loudspeakers and a 8x50 Watt amplifier.

In addition, the DVC (Dual Voice Coil) woofers ensure faithful sound reproduction even at very low frequencies.

JBL Professional® is the brand leading supplier to the music and cinematic markets.

April orders' collection

13

APRIL ORDERS

458
ITALIA

INTERIOR AND MATERIALS

Diamond style headliner upholstery (Modis code RUF2)

The headliner of the Ferrari 458 Italia may be specified with an elegant coloured diamond style trim. The colour may be chosen from any of the fifteen standard colours in the palette.

Carbon fibre exterior sill-kick (Modis code CISK)

It is possible to request the outer carbon fibre sill-kick separately from the carbon fibre lower area option.

- Modis code CISK: Carbon fibre outer sill kick
- Modis code CILZ: Outer sill kick, door pannel, rear side moulding and central tunnel console in carbon fibre

EQUIPMENT AND TRAVELLING

Run-Flat tires (Modis code FLAT)

It is now possible to order the RunFlat tires for the Ferrari 458 Italia.

This option includes also the tire temperature and pressure monitoring system (Modis code TPM0).

Cruise Control (Modis code CRS1)

Only for US and Canada Markets it is possible to order a Cruise Control system for the 458 Italia. The system is integrated into the dashboard trim on the left side of the steering wheel.

Home-link system (Modis code MIH1-MIH2-MIH4)

Only for US and Canada Markets it is now possible to order an home-link system.

The central unit is placed in the inner mirror bezel and the action buttons is on the dome lamp.

June orders' collection

16

JUNE ORDERS

458
ITALIA

RACING AND TRACK**Engine covers in carbon fibre (Modis code CEL2)**

It is possible to enrich the engine bay of the Ferrari 458 Italia replacing the standard aluminium covers with a lighter version in clear visible carbon fibre.

EXTERIOR AND COLOURS**20" diamond finished forged rim (Modis code RSFD)**

Please note that a further variant of the sport forged wheels is now available for Ferrari 458 Italia. The new rims have the same style of the painted forged wheels (Modis code RMSV) but they are enriched with a sporty two-tone aspect; Iron Grey Metallic 780 painting for the inner part of the spokes and diamond polishing treatment for the outer part of the rim. Below we summarize the optional wheels available for Ferrari 458 Italia.

**Standard rim****Standard dark chromed rim**
(Modis Code RICS)**Silver painted forged rim**
(Modis code RMSV)**Diamond finished forged rim**
(Modis code RSFD)**Dark Grey Metallic 780 painted forged rim**
(Special equipment)

EXTERIOR AND COLOURS

Exterior in carbon fibre

Carbon fibre options may be ordered for the exterior of the 458 Italia.

Carbon fibre front wings (Modis code FCWS)

This option is compatible with the front parking sensors (PAR2 option)

Carbon fibre rear diffuser (Modis code CEXD)

The option includes the following parts:

- Rear diffuser
- Diffuser vertical fins
- Fog-lamps and rear grilles frames

EXTERIOR AND COLOURS

Carbon fibre outer sill cover (Modis code CEXS)

The sill is made entirely in carbon fibre with the upper part painted in body colour and the aerodynamic lower area is in visible carbon fibre.

This option is not compatible with the optional PEXS (outer sport sills).

The full clear visible sill may be ordered as special equipment.

INTERIOR AND MATERIALS

Dashboard trim in carbon fibre (Modis code DATR)

We are pleased to announce you that, starting from June orders' collection, the carbon fibre trim for the dashboard of the Ferrari 458 Italia is available also for right hand drive cars. This new option can be ordered through Modis using the code DATR.

EQUIPMENT AND TRAVEL

Thermo-insulating windscreen (Modis code HAW1)

It is possible to equip the Ferrari 458 Italia with a thermo-insulating windscreen. This windscreen is fully clear and filters the UV rays to reduce the inner heating.

	SUN-LIGHT REDUCTION	HEAT REDUCTION
WINDSCREEN	25%	52%

We remember you that this windscreen allows the use of satellite systems and Telepass devices.

Electro-chromic inner and outer mirrors (Modis code MIR1-MIR2-MIH1-MIH2)

We are pleased to inform you that, starting from June orders' collection, it is no longer mandatory to select the electro-chromic mirrors (inner and outer) on the orders.

Below you can find a table summarizing standard features and options:

	OUTER MIRRORS ELECTRIC ADJUST.	OUTER MIRRORS ELECTRIC TILTING	ELECTROCHROMIC INNER MIRROR GLASS	ELECTROCHROMIC OUTER MIRRORS GLASS	HOME-LINK SYSTEM	MEMORIES	CODIS MODE
PRISMATIC INNER MIRROR							STANDARD
PRISMATIC OUTER WING MIRRORS	X						STANDARD
ELECTROCHROMIC INNER MIRROR			X				MIR1
ELECTROCHROMIC INNER MIRROR+OUTER ELECTROCHROMIC WING MIRROR	X	X	X	X			MIR2
ELECTROCHROMIC INNER MIRROR+HOME-LINK SYSTEM			X		X		MIH1

ELECTROCHROMIC INNER MIRROR+HOME-LINK SYSTEM+ OUTER ELECTROCHROMIC WING MIRROR WITH MEMORIES	X	X	X	X	X	X	MIH4 MANDATORY OPTION WITH FULL ELECTRIC SEATS (NO EXTRACHARGE)

Satellite radio system (Modis code SATR – only for US/CND markets)

Only for US and CANADA markets, It is possible to order a satellite radio system.

This system allows you to receive satellite network.

We remember you that this feature is mandatory when you choose the Navigation System in order to receive traffic information.

JULY ORDERS

458
ITALIA

RACING AND TRACK**Carbon fibre filter box cover (Modis code CEFB)**

Besides the engine covers in carbon fibre (Modis code CEL2), which are available since June orders' call, it is now possible to have the cover of the filter box in carbon fibre too.

INTERIOR AND MATERIALS

Carbon fibre sport package (Modis code CRPK)

A sports package has been created which includes some options in carbon fibre. This package is addressed particularly to those who want to give to the car a highly sports character. It includes:

- Dashboard trim in carbon fibre
- Window lifter and F1 trims on the centre tunnel
- Steering wheel with lower rim, central plate and upper rim in carbon fibre
- F1 paddles and instrument cluster frame in carbon fibre

This package is combined with the racing seats in carbon fibre.

Please note that these contents can be still requested separately through the modis codes summarized in the table here below.

INTERIOR AND MATERIALS

Leather lower zone upholstery (Modis code CTU3)

With this option it is possible to enrich the Ferrari 458 Italia interior with an elegant leather upholstery for the lower part of the cabin.

This part is in coloured leather (same colour of the interior) and includes:

- Lower tunnel
- Front tunnel zone
- Rear shelf zone (horizontal part)
